ATHTETICS' CONTROL O'CONNELL'S PLACE NEW SCHOOL TOPIC

Board of Education Discusses Resumption of Military Committee Rule.

PHYSICAL DIRECTOR TO WATCH GAMES

Superintendent Stuart Tells What He Will Do in Future-Inspection Committee Rapped.

Resumption of athletic control of the public schools supposed to be vested in the military committee is likely to be demanded by the Board of Education, as a result of certain unpleasant

"The athletic associations cannot run away with the physical directors," declared Member William V. Cox, acting chairman, in the absence of President James F. Oyster, when the subject was introduced by Mrs. Ellen Spencer Mus-For two years, it was said, the com-

mittee on military affairs has not been consulted in regard to athletics in the schools. This power of the committee is based on rule 64, appointing a board of faculty advisers, who shall formulate rules and whose decisions shall be final when approved by the chairman of the committee on military affairs. The rules and findings, also, must be reported to the committee of the board and made a matter of record. This it

Nurse for Schools.

A trained nurse, to be surplied by some philanthropic person, will be installed in the schools in order to prove the value of such attention to the pupils. Health Officer W. C. Woodward conveyed the offer. It is hoped the results will enable the board to obtain the appropriation for two such nurses in their estimates, ratified by Congress.

A unanimous vote of thanks was given the Chamber of Commerce for its mornal support of the board in its efforts to provide better schools with such improvements as a school architect and A trained nurse, to be supplied by some philanthropic person, will be in-stalled in the schools in order to prove

As a result of the protests of the board, various reforms made by the Commissioners in the past two weeks were reported in a series of seven lesters. Doors were made to open outward at Bruce school; box tollets at the Orr school were destroyed; dangerous steps at Hubbard school have been closed; and an explanation was offered for the delay in putting fire escapes on the Central High school.

No Charges Are Made.

Although no specific charges were made, Mrs. Mussey said that she had been told that several disagreeable things happened on the football fields lately in the absence of the physical directors.

Superintendent Stuart immediately told the board that he would certainly rule that one of the physical directors must be at all games or football, baseball, or other athletics, supervising and keeping the school authorities in touch
